2019/1103/P	alison goldberg	02/04/2019 20:10:46	OBJ	given the amount of building work going on directly opposite 9 (at number 8) pilgrims lane and another major project on the corner of pilgrims lane and kemplay road I do strongly and vehemently object to any further disruption to the road itself that is pretty much a nightmare to navigate at present without further noise and congestion added to it furthermore im sure the council doesn't need me to point out that any changes to a Grade 2 listed property of the kind proposed here are hardly in keeping not only with the character of the house itself but the road too
