Supplementary Comments

Thames Water have reviewed the information provided and agree to discharge Condition 4B. This is based on the understanding that piling/demolition works are carried out in accordance with the St Annes Piling Strategy Statement - Residential Element (Dated 01/04/2019). Please advise Thames Water if these plans change so that we can re-assess the risk to our assets. Please discharge Condition 4B.

Demolition, piling and excavation works all have the potential to adversely impact Thames Water assets. Please bear in mind that Thames Water will hold the developer and any relevant contractor/sub-contractor liable for any losses incurred or damage caused to Thames Water assets arising from construction works or subsequent use of the facility.

Yours faithfully  
Development Planning Department
