2019/0663/P	6 and 6a Kidderpore Ave	23/04/2019 16:42:05	COMMNT	We are 6 Kidderpore Ave, 8 flats within the building, and have had a lot of cracks to our property from the Mount Anvil excavation works next door and are very concerned that another excavation on the same site as us will compound the issue and affect the stability of our property. We are also going to have considerable inconvenience; dust, noise, disruption, access will be affected. Living with the works will be difficult for residents and there will be a negative impact on the lettings of flats within the property.
