Hello John

I uploaded the site location to the map and it is attached here

I also attach an image of the sculpture which is still being completed, with details of the fixtures

The sculpture will be 1.8m high, 1.4m across and 1m deep.

Let me know if you need anything else

Thank you!

Georgie

Hi John!

Certainly we are looking in to this now.

For the site location – are you looking for the site to be highlighted on a google map rather than a photo?

Thank you

Georgie
