2018/5449/P	Cllr Alison Kelly	25/04/2019 16:59:42	COMM	<p>I am totally in favour of this application. The Dome is an amazing community resource.</p> <p>My only concern is about the request for an extension of 15 years. The whole area is being redeveloped and I wouldn't want the temporary structure of the Dome to hinder the rest of any development.</p>
2018/5449/P	Dee Searle	26/04/2019 09:07:11	SUPPRT	<p>I fully support this application. The Dome inflatable sports centre is an important facility for local children and young people, who don't have many other local amenities and mostly can't afford the fees charged by private or council-run sports centres.</p> <p>The Dome is well used and, particularly after school hours, provides a vital safe space for children and young people to play and learn. The surrounding area has recently suffered an increase in violent crime, so local children and young people hugely need the space.</p>
2018/5449/P	Maud Donatucci	26/04/2019 09:07:15	COMMNT	I fully support this planning application
2018/5449/P	Killick	25/04/2019 18:19:25	SUPPRT	This is a much needed sports facility in the area and it is an important feature of the local community.
2018/5449/P	John Landau	25/04/2019 18:55:43	COMMNT	As a local resident, the Dome is an important resource and I support retaining it.
2018/5449/P	C Louca	25/04/2019 17:18:47	COMMNT	<p>To whom it may concern</p> <p>I really support this application as I believe that it is very important for children of all ages to be able to do as much sport as possible and this at all time of day and year.</p> <p>I hope you will support this project.</p> <p>Kind regards.</p>
2018/5449/P	Julien Castel	25/04/2019 17:27:21	NOBJ	I fully support this planning application. The CFBL students really enjoy the Dome for their PE lessons as well as clubs.
2018/5449/P	Susanne Kord	25/04/2019 18:49:58	COMMNT	Please grant this application. It's a great idea and immeasurably valuable for the community!
2018/5449/P	Tony O'Grady	25/04/2019 17:05:34	SUPPRT	The dome is of great befit to the community & so I strongly this application
2018/5449/P	Celia David	26/04/2019 07:55:04	SUPPRT	<p>I am writing in support to the planning permission sought for the sports structure.</p> <p>This I see this as a vital resource for the area giving local young people a safe place to go. The sports centre provides an enclosed place to have fun and to be safe in an area with limited resources.</p> <p>It is especially important too currently with the increase in violence that the young people of the area are supported by the local authority and enabled to access and make use of this site.</p> <p>I am chair of trustees for Gospel Oak Action Link Youth Club. We work in partnership with QCCA to run a youth club in the sports centre. We offer free youth club five evenings a week and school holiday progrmmmes. Without this valuable resource it's hard to know where else we would be able to operate in the area. Raising the terrible prospect of the young people of the area loosing this amazing resource altogether.</p> <p>Celia David. Information of my personal details obtained via GOAL Youth Club web page.</p>
