Waiver of Archaeological Requirement

Thank you for consulting me concerning the archaeological potential of this development site.

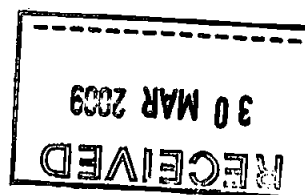

The present proposals are not considered to have an affect on any significant archaeological remains.

I would therefore advise that any requirement for pre- or post-determination archaeological assessment/evaluation of this site in respect to the current application could be waived.

Please note that this response relates solely to archaeological considerations. Please contact my colleagues Richard Parish or Claire Brady regarding statutory considerations if necessary.

Yours sincerely,

Kim Stabler
