Subject: Planning Response - 2019/1464/P - ATM O/S 125 Camden High Street, NW1

FAO Alyce Keen,

Thank you for allowing me to comment on planning application 2019/1464/P which relates to removal of conditions 3 (a) and (e) from planning application 2018/5797/P involving the redesign and movement of an ATM at Nationwide, 125 Camden High Street, NW1.

Conditions 3 (a) and (e) relate to the installation of a CCTV camera at the location to monitor the ATM and also to make sure the lighting within the area meets a required standard to assist in any identification and benefits a user during the hours of darkness. The reason this has been applied is due to the closeness of the recessed doorway of Bedford House and the potential for anti-social behaviour to occur in this location as a result of the ATM moving from its original position.

The removal of any conditions which aid or improve public/staff protection and aid in backing up other crime prevention methods is not satisfactory.

Therefore I object to the removal of these conditions.

Kind regards

Jim
