

1. Glazed brick facade retained and repaired.
2. Existing windows to be retained and restored. Portion of existing window opening to be utilised for insertion of ductwork.
3. Original doors onto lightwells removed to allow for replacement with automatic opening replacement for smoke ventilation.
4. Existing services and plant stripped out of lightwells.
5. Window to be removed and opening to be utilised for insertion of ductwork.
6. Existing roof structure to existing plant space removed.
7. Existing 1990's conservatory removed.
8. Existing drainage pipework to be stripped out. Sections of pipework assumed to be original.
9. Area of facade removed for insertion of new passenger lift and dumbwaiter
10. Opening created at high level in existing wall for services distribution

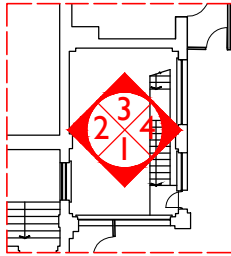

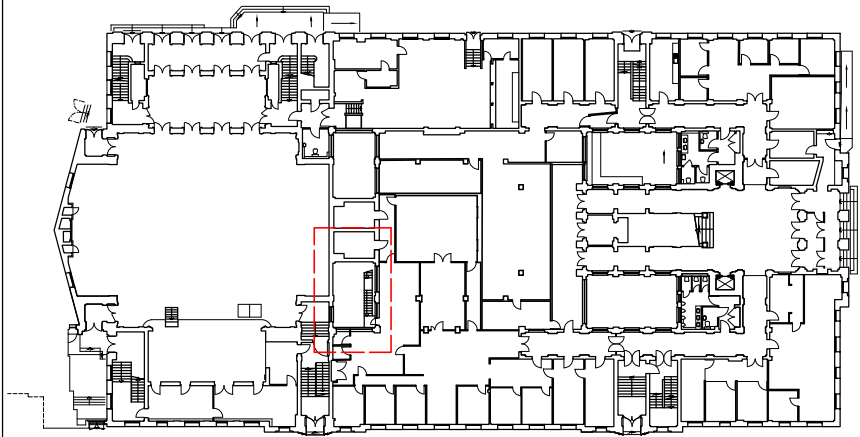

**Notes:**

Drawings are based on survey data and may not accurately represent what is physically present.

All dimensions are to be verified on site before proceeding with the work.

All dimensions are in millimeters unless noted otherwise.

Purcell shall be notified in writing of any discrepancies.
