The rateable value is rounded down to

£100,000

This is not the amount you will pay. The rateable value is used to calculate your rates bill.

The valuation details for this property aren't available to view online

This valuation is not available to view online due to the type of property or the valuation method used.

If you're the owner or occupier of this property and you want to see more information about the valuation, you should [contact](#) the Valuation Office Agency.

You'll need to provide:

- proof of your relationship to the property (for example a business rates bill)
- details of the information that you want to see
- authorisation from the owner or occupier if you're acting on their behalf as an agent

The 2010 rating list is now closed and appeals can only be made in limited circumstances.

An appeal can be made:

- no later than 30 September 2017 when citing a decision of a Valuation Tribunal, or higher court
- or
- within 6 months of a Valuation Office Agency (VOA) 'notice of alteration'
