Dear Charlotte

**Planning Ref: 2019/0893/P**

I hope you are well.

I understand that one of our local businesses, Safestore, have made a planning application to secure their site with additional fencing (ref: 2019/0893/P) at their location opposite Regent High School at 155 Chalton Street, London, NW1 1NR.

Since I joined the school in September 2016, I have become increasingly concerned about anti-social behaviour, drug use and other criminal activity in the vicinity of the school. I have liaised with my local Safer Schools Officer, PC Paul Brown, together with other officers from the Metropolitan Police on this matter and submitted our own CCTV on several occasions to assist in investigations.

My staff, students and their parents are also troubled by the conduct we have witnessed, and it is my belief that the proposals suggested by Safestore will assist in reducing the frequency and severity of the anti-social behaviour and other criminal activity, helping to create a safer local environment.

Consequently, following a meeting recently with Safestore, their proposals have the full support of Regent High School and we hope this will form part of your decision making process.

Should you wish to discuss this matter in person, please do not hesitate to contact me at the school.

Yours sincerely
