The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the

following approved plans:

3007-001C; 3007-002A; 3007-003C; 3007-004 location plan;  
Design and Access Statement dated 27th March 2019 by Michael Jackson

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting listed building consent::

The existing Follow Spot windows are too small and limit the stage lighting. The scheme enlarges two existing windows and creates a central window.

It is considered that the new Follow Spot Window will help improve the efficacy of the Phoenix Theatre's equipment and ensure its ability to accommodate future theatrical productions in line with the needs of modern productions.

The works are not considered to impact on the significance of this important 1930's theatre and the scheme is therefore supported.

The Theatres Trust was consulted and wrote in support of the application on 26 April 2019. A Site Notice and Press Notice were not required in this instance as the works are all internal to a grade II listed building.

The site's planning history has been taken into account when making this decision

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.
