Subject: Application 2019/0275/P - 5 and 6 Rosslyn Park Mews London NW3 5NJ

Dear Ms Hazelton,

I have been made aware of an application for an additional story to be added to 5 and 6 Rosslyn Park Mews. Whilst the official consultation period is over, I have read through the objections submitted by residents around the property and would like to add my concern to their points. Whether this can be formally considered at this point or not I don't know, but I really do feel that this development would have a material impact on those surrounding the properties.

Perhaps you might be able to let me know when this is likely to go to Member's Briefing, and I can also submit my thoughts to that group? I do hope that these concerns - including my own - are taken into account.

Kind regards,
Maria
