Thank you for consulting TfL on this application, copy attached.

Given the scale, location and nature of the proposed development, I can confirm that TfL Spatial Planning team has no comments to make on this planning application other than to note and welcome the proposal to provide cycle parking in regard to the draft London plan and that the development is car free.

The location of this proposal appears to be close to London Underground (SMBLocationEnquiries@tfl.gov.uk) assets. Therefore, I have forwarded this application to the team, who may provide comment directly to you.

Regards
