Hello Barry,

Further to our meeting last week, I've conferred with a colleague who has many years more experience of applying the GPDO and he agrees that a means of enclosure up to a height of 2m could be erected along the boundary to restrict access to the rear garden of 60 Crowndale Road under Part 2, Class A. If you wish to obtain formal confirmation that this is lawful development, you can apply for a Certificate of Lawfulness (Proposed) prior to commencement of works.

I would appreciate it if you could confirm withdrawal of the live planning application.

Kind regards,
