2019/1712/P	Covent Garden Community Association (Elizabeth Bax, Chair of Planning Subcommittee)	28/04/2019 16:48:14	COMNOT	Covent Garden Community Association (CGCA) does not object to this application in relation to the upgrading of windows at first to third floor levels and the replacement of the major part of the shopfront at ground floor level. However, we would like to understand whether a change of use is involved in the replacement of the part of the shopfront on its north side. The plans imply that the entrance to the offices is being reduced in size, with part of it being given over to the shop.
