2019/1976/P	Mrs J L Prooth	01/05/2019 08:34:07	OBJ	<p>Another fitness centre is totally unnecessary in this area. There is a large centre in Finchley Road Swimming Pool and also in Fairfax Road.</p> <p>The premises are totally unsuitable and the layout far to cramped. This section of Finchley Road does have a few issues and I would be worried about there being further problems.</p> <p>Parking is another issue as so many spaces along Finchley Road are now taken up by 'Deliveroo' cyclists. Please reconsider the use of these premises. Finchley Road is in desperate need of a good MIX of retail outlets and this does not contribute to this.</p>
