2019/1677/P	Dawn White	02/05/2019 18:16:48	INT	<p>I strongly support the subject application.</p> <p>The main basis which has formed my opinion are that I believe that the mansard extension would enhance the street scene and general appearance of the road.</p> <p>I believe that these types of small scale extensions are important to allow young families to remain local, underlining the strong community spirit which is felt in Harmood Street.</p>
