2019/0893/P	Phil Cowie	27/04/2019 16:28:01	COMMNT	As a Mayford resident for the last 4 years and particularly as my flat directly overlooks the Safestore car park I would like to wholeheartedly support this application. I have been adversely affected by the anti-social behaviour in the area under application and have moved my bedroom to the other side of the apartment to escape the noise. This area feels threatening at night with the rough sleepers and drug users and I believe that this will have a positive impact on the area by discouraging these activities.
