Application ref 2019/1741/P

Address 15A-37 Camden High Street London NW1 7JE

Planning Officer Laura Hazelton

Proposal
Erection of new ground floor extensions to create new reception area and cycle facilities; installation of replacement windows and doors; demolition and replacement of roof and rooflights; Installation of new entrance gates to Camden High Street entrance; extension of stair core up to 2nd floor level.

Objection Yes

Observations
We don't object to the changes elsewhere but the Symes Mews elevation should be reconsidered to provide something with more of a relations to its original use. It is a loss to the area in general that buildings with different historic characters - in this case industrial and large scale - are being homogenized by the development process of tidying them up
