2019/1998/P	Garrard knowles	10/05/2019 06:54:18	OBJ	<p>I am objecting to any changes to the exterior of this building, with exception to the glass roof as it can't be seen from ground level and need replacing for environmental reasons, but wish it to have the same character. Also any internal industry equipment indicating its past should remain untouched.</p> <p>This building has significant historical interest as it one of the few industrial buildings that remain in Covent Garden unaltered. Also it has a significant interest for the theatrical element.</p> <p>Any plant equipment at the rear will have significant effect on my well being due to motor noise as my flat and and many others that back Church Yard so there will be no barriers to the sound traveling.</p>
