2019/0893/P	[REDACTED]	11/05/2019 18:15:14	NOBJ	my wife and i and my two children have lived at [REDACTED] ,there have been many car fires over the years ,constant smell of human excrement and urine ,evrey day of the week we get people taking drugs selling drugs injecting drugs, it gives us many sleepless nights with worry and let alone when family come to visit which is regularly,i and my wife fully support safestores planning application to secure both areas as this is adding security and improving the spaces on the mayford estate
2019/0893/P	[REDACTED]	11/05/2019 13:43:32	NOBJ	[REDACTED] what i have had to explain as to why these addicts have passed out in front of safestore with needles hanging from there bodies is not only beyond the pall it is compromising my family safety as safestore is so open ,i as a resident of the mayford estate fully support safestores planning application
2019/0893/P	[REDACTED]	11/05/2019 13:06:14	NOBJ	iam a mother of 3 children one who was recently subjected to an attempted robbery right near safe store crime ref 2309797/19 where PC Daniel Edgington came to my home to measure our daughter and take her statement, which was traumatic to her and has caused mental scars for a 13yr innocent girl who should not have to endure this everyday to get home ,and as a parent we are left with the fallout,i have no objections to safestores planning application as it will add to the estates security and with landscaping will add pleasure
2019/0893/P	[REDACTED]	11/05/2019 15:10:31	NOBJ	Strongly agree with this application as it will provide better security for all local residents especially Mayford on Oakley square.
