

Trees Location: Electricity Substation Adj 74, Compayne Gardens, London NW6 3RX

Tree Grid Reference: TQ 25733 84473

Tree work for application: T1 – Lime – Reduce tree back to previous point of growth (by approximately 3-4m) due to close proximity to neighbouring flats and as part of ongoing maintenance plan for UK Power Networks.

Lateral branches growing very near to flats

Request to reduce tree back to previous pruning points.

Red line shows proposed distance back from property.
