2019/2491/L	Christine Pullen	15/05/2019 11:18:31	COMMNT	I object to this application on the grounds that Hampstead already has too many schools located within the area. The additional traffic that will be generated will created further congestion, which is already significant at certain times of day, adding to the levels of pollution in the surrounding streets. I urge Camden panning department to reject this application.
