Good Evening Tom

Hope you are well,

Further to our recent meetings and discussions with regard to Merit taking on the site management role and agreed sub contract packages for Camden Lock Village, we attach our costs.

We have noted the fees as either picked up by Labs or Merit as we understand it was agreed, however should our fee structure be of value to you we would welcome the opportunity to meet and discuss each element in more detail. Our costs are based on a full six month contract period but appreciate this could alter after discussion. Also attached is a portfolio of possible collaboration with our design team "plus creative" should you require any of these services, this can also be discussed and quoted accordingly as currently they are not included in our fee quote.

Look forward to discussing our involvement once you have digested the attached

Kind Regards

Keith Perkins

Head of Construction
