Subject: Re: Consultee letter for PlanningApplication Application: 2019/1438/P

Dear David,

We wish to comment on this application and apologise for very slightly overshooting the deadline for comments.

We have met with the applicant and are supportive of this application, particularly as it will replace a use that the local community finds undesirable (strip club) to the provision of new office space and new housing units.

We are also pleased that this application means that some attractive architectural features that are at present obscured will be visible once again.

Best wishes

Keith
