Dear Sirs,

**Ground floor Unit in B1 Use
25A Canfield Place, London NW6 3BT
Planning Application in re: Alterations to the Entrance Doors**

With reference to the above address, please now find enclosed a Town Planning Application in relation to minor alterations so as to replace the pair of timber access doors with a single access door and side window in painted softwood frames).

The Application Form and attachments are provided in original with three copies, which we trust will be sufficient for your purposes.

We also attach our cheque intended to cover the requisite Planning Application Fee.

This Application does not entail any Change of Use, or any Increase in Floor Space, or the creation of, or alteration to, any dwellings. It is not a Householder Application. The site area is far less than 0.1 hectare.

We have therefore considered the appropriate fee to be £234.00, in accordance with Category 10 within the table provided in Part 2 of the Town and Country Planning Fees Regulations 2012 (as amended by paragraph 2 of the Regulations 2017).

We trust you will agree, but do please notify us as soon as possible if you believe that we are mistaken.

With thanks for your kind attention,
Yours faithfully,

[REDACTED]
