ACOUSTIC REPORT

As part of and in accordance with the Validation of Planning Applications List of Local Validation Requirements;

Acoustic Report – As per The Validation of Planning Applications List of Local Validation Requirements.

For the purpose of this application it is deemed non applicable for any such Acoustic Report to be necessary as part of this application.

The application supports the proposed new open style Payphone Kiosk which is internally illuminated with the appropriate additional attachments detailing the specifications of the structure.

There is no internal motor mechanism and therefore no acoustic report is deemed necessary for the purpose of determining this application.
