2019/2491/L	Mr Declan Kelly	23/05/2019 19:01:31	COMMNT	I object because the building was formerly a Police Station and should continue to be used for the benefit of the whole community. It would be better to have a nurses' university and hall for them. It would serve the whole community. UCL or King's college could rent it from the Department of Education.
