dear david my father wrote a comment below my mother said she sent in with hers but i can't see on the camden website please can u addasap can you confirm receipt please thank you

dear sir
i write in reference to planning application
2019/1515/P

i strongly object to this development
my family live next door at no 24 and i am a frequent visitor to their home
this development will massively affect them encroaching on their privacy overlooking from
roof terraces
infringement of light taking 50% of light into their habitable room downstairs which is a
habitable room not a hallway and also where [REDACTED] work
[REDACTED] rob them of their outlook and amenity by cutting trees and stripping greenery which offers
them screening and privacy
its a monstrous design out of keeping with the conservation area. i would expect the council
to demonstrate their duty of care to such a wonderful historic conservation area and boot this
application out. i also strongly support the comments written by the netherhall association
wholeheartedly

please refuse
thanking you in advance
