

PIVOTING BIKE HANGER

Product Name: Pivoting Bike Hanger

Product Description:

The Pivoting bike hanger holds 1 bike, a semi secure solution for storing your bike on a wall. Ideal for very confined spaces, especially useful in alleyways and domestic garages. The bike can be folded out of the way against the wall. The protrusion off the wall is approx 650mm - 700mm depending on style of bike. The bike is hung from the sturdy steel hook with plastic sleeve to protect the wheel rim. The bike can be locked via the central anchor point. Comes complete with security fixing bolts. Delivery time: typically 10 working days up to quantities of 30. For quantities of 30+ typically 14 working days.

Additional Information

Supplied with tamper resistant fixings.

Note: The user must bear the whole weight of the bike when lifting onto the bike wall hanger.
