SUBMITTED VIA PLANNING PORTAL

Dear Sir or Madam,

PROPOSED BASE STATION INSTALLATION AT HAMPSTEAD STATION, HAMPSTEAD HIGH STREET, LONDON, NW3 1DL (SITE REF: 148394) (NGR: E 526390/N 185776)

This submission is a full planning application and is in accordance with the Electronic Communications Code (as amended) for permission for the development of:

“The installation of 4No. antennas and 2No. GPS antennas located on the upper roof level, the installation of 6No. equipment cabinets located on the lower roof level, the installation of 1No. electrical meter cabinet located at ground level, and ancillary development thereto.”

Telefónica UK Limited has entered into an agreement with Vodafone Limited pursuant to which the two companies plan to jointly operate and manage a single network grid across the UK. These arrangements will be overseen by Cornerstone Telecommunications Infrastructure Ltd (Cornerstone) which is a joint venture company owned by Telefónica UK Limited and Vodafone Limited.

This agreement allows both organisations to:

- pool their basic network infrastructure, while running two, independent, nationwide networks
- maximise opportunities to consolidate the number of base stations
- significantly reduce the environmental impact of network development

This application is submitted for and on behalf of Cornerstone and Vodafone Ltd and Telefónica UK Ltd.

The application comprises:

- Planning application form and certificates
- Planning drawings - Ref. No's: 100, 200, 201, 300, 301, 302, 303 – A
- Prescribed fee - £462 (Paid via the Planning Portal service)

- General Background Information for Telecommunications Development
- Site Specific Supplementary Information (including copies of pre-consultation & coverage plots as appropriate)
- Health and Mobile Phone Base Stations document
- Design and Access Statement
- ICNIRP declaration & clarification statement

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (November 2016).

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
