Hi Rav,

I'm writing to you following a telephone conversation that I've just had with Tom Little in regards to application 2019/0606/T that we're recently had accepted. Sorry to trouble you with this but our client wishes to have slightly more reduced than previously specified/ applied for.

T1 - Reduce back to previous points, plus up to 1 meter on both sides of the building. **They want this to be changed to "plus 1-2 meters on both sides of the building"**

T2 - Reduce back to previous points, plus up to 1 meter away from building. **They want this to be changed to "plus 2 meters away from building"**

If this could be re-processed/ considered we would be extremely grateful.

Many thanks and sorry for the further inconvenience.
