

**REDINGTON FROGNAL ASSOCIATION**  
Umbrella body for residents groups in the Redington Frognal Conservation Area

Mr. J. Lawlor  
Planning Solutions Team

16 May 2019

Dear Mr. Lawlor,

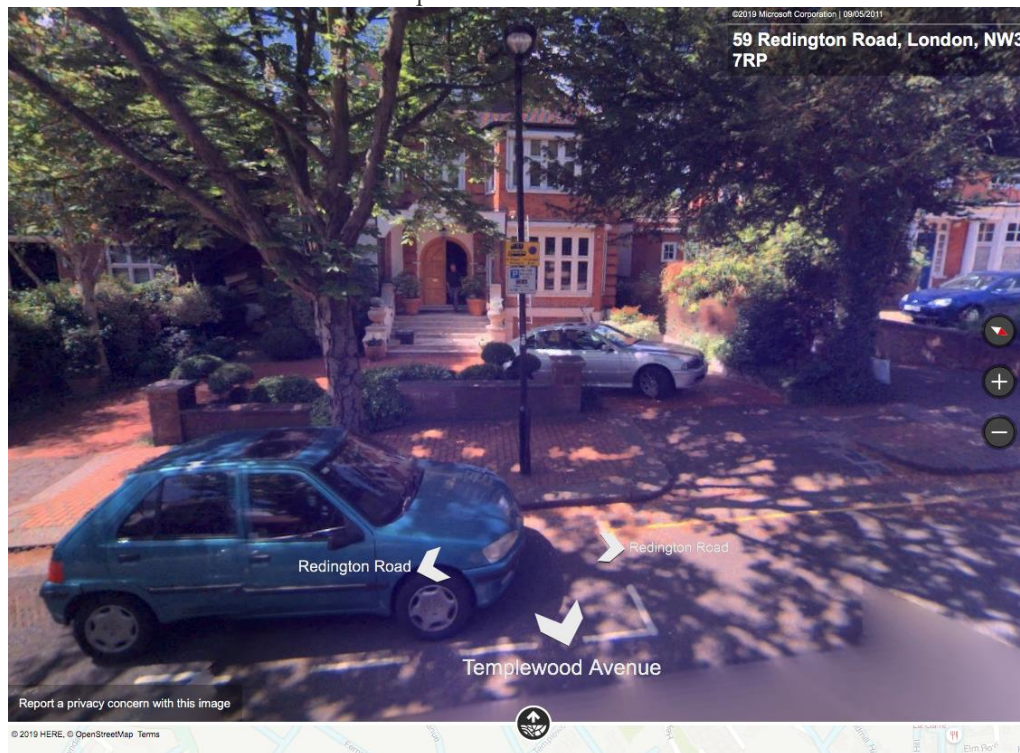

**Planning application 2019/1908/P: 59 Redington Road**

Redington Frognal Association would like to object to the application.

Metal gates are not an appropriate boundary treatment for the Redington Frognal Conservation Area and the removal of the low brick wall is contrary to:

- Redington Frognal Guideline RF 9 “The Council will resist any further loss of front boundary walls and conversion of front gardens into hard standing areas.”
- Local Plan policy 10.21.

The photo below shows the low boundary wall, with planting behind, which is a typical Redington Frognal boundary treatment. Its replacement by metal gates would cause considerable harm to the streetscape.

Yours sincerely,  
*Nancy Mayo*  
Secretary
