Dear Ms Watson

8/9 Spring Place NW5 3ER

I write with reference to the above property and confirm that at the request of the owner, Mr Finlay, I let my team of builders occupy the building from around January 2015 to the beginning of June 2016.

I installed the boilers for Mr Finlay and whilst my team were not directly involved with his building work the free accommodation was convenient for them as they were working on another local job nearby. Their occupation fluctuated but as an estimate varied between 10 to 15 men throughout that period.

The owner was very worried about squatters breaking into the building, as they had done before, so I was happy to help.

I hope that this information is helpful.

Yours Sincerely

Mr. A Rowlands
