

NOTES:

1. Full extent of wall to be taken down; where possible, original bricks to be reclaimed and blended with replacements.
2. Inspect existing foundation, either reuse or grub out and reinstate to structural engineers specification.
3. Rebuild brickwork in bond to match existing, blending new matching bricks and reclaimed bricks; use three courses of frost resistant engineering bricks at foot of wall.
4. Reinstate weathering course and tiled cappings.
5. Repoint to match existing.

(PL)19\_BOUNDARY WALL - EXISTING
