Hello:

I am writing to object to the above development.

I find it despicable that these developers wish to undertake such a massive and ugly project in the middle of a conservation area. Their plan, if approved, will completely devastate the peaceful and tranquil ambience of the entire street, not to mention the daily noise, disruption, debris and utter chaos that would be caused by this unnecessary project.

In addition, the nature of the project is such that our own property, just next door, will suffer

a severe loss of light, and could possibly face structural issues in the future.

A complete rejection of this planning application, therefore, is the only positive outcome. Many thanks.

Best
