Dear Alyce, Here is the RPCAAC's advice. Best wishes, Richard

The Regent's Park Conservation Area Advisory Committee

1 Chester Place London NW1 4NB 2019/2225/P

Structural reinforcement and associated repair and restoration works of the flank wall.

We are concerned that the repairs should not introduce inflexibility into the historic structure which would lead to differential movement and long-term harm to the sustainability of the building. Otherwise, we have no objection.
