Subject: Planning Response - 2019/2536/P - 8-10 Southampton Row and 1 Fisher Street, WC1

FAO Rachel English

Thank you for allowing me to comment on planning application 2019/2536/P which relates to the change of use for 8-10 Southampton Row and 1 Fischer Street, WC1 into hotel, bar, restaurant and residential units.

I have held a meeting with the applicants regarding this project on the 5th May 2019 and have given them advice and recommendations for safety and security for the entire building.

Ideally I would like to see the residential part of the project achieve 'Secured by design – Silver' accreditation and the recommendations regarding the hotel/restaurant security be addressed.

I have no objections to the proposal but would encourage continue engagement with myself if the application is successful.

Kind regards

Jim
