Dear David Fowler

**Town & Country Planning Act 1990 (as amended); Greater London Authority Act 1999 and 2007;  
Town & Country Planning (Mayor of London) Order 2008**

**Central Somers Town 174 Ossulston Street And Purchase Street London NW1 1DN  
Local Planning Authority Reference: 2019/2475/P**

I refer to your letter received by the GLA on 23 May 2019 consulting the Mayor of London on the above planning application, under the terms of the Mayor of London Order 2008.

The applicant proposes: Minor Material Amendment to include electrical substation within the curtilage of the approved building as granted under reference 2015/2704/P dated 14/10/16.

I have assessed the details of the application and, given the scale and nature of the proposals, conclude that the amendments do not give rise to any new strategic planning issues.

Therefore, under article 5(2) of the above Order the Mayor of London does not need to be consulted further on this application. Your Council may, therefore, proceed to determine the application without further reference to the GLA. I will be grateful, however, if you would send me a copy of any decision notice and section 106 agreement.

Yours sincerely
