Subject: Planning application 2019/2375/P Abacus school

Dear Mr Fowler

I am writing to urge you to refuse the above application. As a long term Camden resident, I believe that the reasons the first application being refused still hold.

Apart from the very high cost, aggravating pollution around the proposed site and the proposed exclusion of children living in the immediate vicinity of the former police station, the application seems contrary to current planning policy.

I very much hope that you will consider these objections.

Yours sincerely
