Planning application 2019/2375/P

We strongly oppose the planning application submitted by Abacus Belsize to develop Hampstead Police Station as a Primary School on the following grounds

1. There are already far too many schools in the area
2. We understand that there is an existing surplus of primary school places
3. Pollution on Hampstead High Street/Roslyn Hill is already above safe levels
4. Existing Traffic congestion is absurdly high during school run times
