Dear Elizabeth Martin,

RE: Listed Building Application at No. 29 Cumberland Terrace, London, NW1 4HP.

Please find enclosed a Listed Building Application relating to the proposed works situated at 29 Cumberland Terrace, London, NW1 4HP.

Note that the majority of the proposals have already been consented by Listed Building Consent (Camden Reference: 2018/3667/L, dated 07/09/2018).

The amendments to this consent, which have been identified on the proposed plans are limited to:

1. Omission of the proposed structural opening between Living/Dining Room rG.08 and Study/Drawing Room rG.09 due to site discoveries;
2. Amendments and omission of some ceiling coffers in Study/Drawing Room rG.09, Living/Dining Room rG.08, Bedroom I rG.03 and Master Bedroom rG.06 due to site discoveries;
3. Amendments to the layout of the proposed Master Ensuite rG.05;
4. Lighting amendments to suit the revised room layouts (noted in points 1-3 above);
5. Addition of a traditionally detailed, decorative fire place to the Master Bedroom rG.06; and
6. Addition of secondary glazing units within the Master Bedroom rG.06 and the Master Dressing rG.07.

*The amended areas are identified by blue bubbles on the application drawings.

I trust that this is clear but if not, do not hesitate to contact me with any queries.

Kind regards,

Sam Wood
