6. Granted approval of the matters reserved under an outline planning permission subject to conditions to which you object.
7. Refused to approve any matter required by a condition on a previous planning permission (other than those specified above).
8. Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval.

9. Failed to give notice of its decision within the appropriate period because of a dispute over provision of local list documentation.

G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

2. Hearing

You must give detailed reasons below or in a separate document why you think a hearing is necessary. The reasons are set out in

the box below

This appeal considers a number of complex and subjective design and conservation matters that should be discussed with the local planning authority and the appeal in front of an Inspector. The Appellant offered on numerous occasions to engage with the local planning authority's design and conservation officer to discuss the proposed development, however, despite repeated requests, each request was turned down to a heavy case load with only a desk-based assessment undertaken. Discussing these issues in front of an Inspector at a Hearing is therefore considered necessary and appropriate.

Please refer to paragraphs 1.8 and 1.9 of the submitted Planning Appeal Statement for further justifications.

3. Inquiry
