Dear Mark

Many thanks for your email.

As requested, please find attached the elevation drawings (2, 3, and 4) showing the material and colour of the louvres to be installed at West Hampstead Police Station.

All louvres will be Aluminium Natural Finish.

Kind regards

Nicola

Dear Nicola,

Unfortunately the Environmental Health team has not gotten back to me yet. I will try to speak with them next week.

My view is that it should be acceptable in terms of character and appearance. However, can I get you to clarify on the material and colour of the grills? If you can add the material and colour description to the grills on your drawings that would be highly appreciated.

Kind regards,
