2019/2538/P	Peter Abernethy	08/06/2019 09:33:00	OBJEMPER	As a local resident I am sad to see residential property disappear to be replaced by short term units. The local area seems over full already with the effects of short-term lets, e.g. fast food outlets, which detract from its character, with increasing amounts of rubbish lying about on the streets. Also the general increased tempo of life on the streets for the elderly and young children becomes more difficult with the increase in numbers of short term lets in this historic area.
