2019/2238/P	Owen Ward	06/06/2019 17:20:11	OBJ	What a waste of money. Spend the money on something useful for real people. It's nice spending money on restoring historical details but there are more important things to worry about. Like people being attacked by rough sleepers just down the road on Judd Street, or people using Bidborough Street as a campsite. Fund some more police officers, clean up the streets. give schools a funding boost. I cannot believe that £44 million is being spent on this, it is absolutely absurd. In other words, it is simply a vanity project. Taxpayer money cannot be spent on this.
