24 Belsize Lane NW3 5AB - reference 2019/2436/P - hard & soft landscaping

On 30th May, I emailed you with my comments on the above application for approval of hard & soft landscaping - Condition 7 of planning permission 2017/6969/P.

Since then I've reconsidered my comments, and whilst I remain concerned about retention of the rear garden coastal redwood (sequoia sempervirens) tree T4, I now have no objection to removal of the front garden pear tree T7.

Kind regards - Michael Brod
