Dear Sir/Madam

I have just checked on the Planning Application documents for this Planning Application and my comments have not been included although you say they have been received..

Pleas advise.

Kind regards

Elaine White

Bacon's Lane has unrestricted public access, especially to the garden of 3 Bacon's Lane and, because of this, 2 Bacon's Lane. The Lane's residents, including ourselves, have been subjected to criminal attacks including car theft, car break-ins, burglary and vandalism. Accordingly we encourage & support the construction of the proposed front and side garden walls.
