2019/1634/P	Marcia MacLeod	12/06/2019 16:52:22	OBJ	I object to this application because it, along with other planned extensions, changes the nature of the area completely, thereby affecting the amenity for neighbours. It also affects water run-off - very important, especially as a river runs under the road; increases smells as cooking smells (from the kitchen in the extension) can travel some distance; and increases light pollution.
