2019/2701/P	Edward Bagenal	13/06/2019 07:03:53	OBJ	These telephone communication hubs have been proven to attract and facilitate drug dealers and users and we do not want them anywhere, let alone near our homes and schools. see here- <a href="https://www.eastlondonadvertiser.co.uk/news/tower-hamlets-council-want-free-calls-axed-at-inlink-kiosks-1-5993767">https://www.eastlondonadvertiser.co.uk/news/tower-hamlets-council-want-free-calls-axed-at-inlink-kiosks-1-5993767</a>
2019/2701/P	Craig Duncan	13/06/2019 09:49:39	OBJEMAIL	Strong objection! Considering there is no need for telephone kiosks in this day and age and these plans serve no service to the community, rather only clutter up our already busy pavements with further eyesores - these plans should be rejected - strongly!
